

## Portion & Cake Cutting Guide

When planning a celebration cake it is important to know how many portions your cakes will serve. It is surprising how many guests a cake can feed and it all depends on how you cut it. Below you can find a guide on how we cut our cakes and calculate portions.

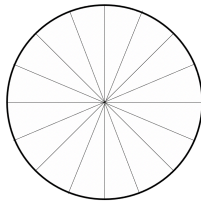

6" – 12 portions

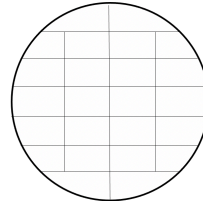

6" – 15 portions

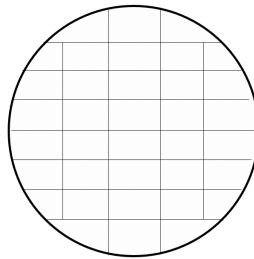

8" – 16 portions

8" – 24 portions

10" – 36 portions

12" – 44 portions
